# OVERVIEW

Go to [www.podshop.se/atlascopco](http://www.podshop.se/atlascopco)

The screenshot shows the Atlas Copco Print Shop website. At the top left is the Atlas Copco logo and the text 'The Print Shop | atlascopco.com'. Below this is a navigation bar with 'Links' and 'Help' menus, both circled with a red '1'. To the right of the navigation bar is a 'Log in' button. On the left side, there is a search bar labeled 'Freetext search' with a search icon and a red '2' next to it. Below the search bar are several filter menus: 'General area', 'Product area', 'Product group', 'Document type', and 'Language'. At the bottom of the search filters are 'Clear all' and 'Search' buttons. The main content area features a large 'Welcome' heading, followed by the text 'Atlas Copco Print Shop Sales Material and Technical Documentation'. Below this is a welcome message and instructions on how to use the search fields. To the right of the text is a collage of various product brochures. At the bottom of the page, there is a footer with the text 'Legal Notice, Privacy Policy, Copyright © 2000-2015 Atlas Copco AB'.

1: Menu bar. "Links" contains links to Atlas Copco and to Atlas Copco photo gallery. "Help" contains documentation (this document).

2: Free text search or search on article number (PMI) or search by filtering

Search can be made either the free text search or by using the search tree, or a combination of these. In the free text search you can write the product designation, product name or even the number of the brochure if you know it.

In the search tree you select by filtering the product area, product type etc.

# SEARCH DOCUMENT

Use the search function, either the free text search or by using the search tree, or a combination of these. In the free text search you can write the product designation, product name or even the number of the brochure if you know it.

In the search tree you select product area, product type etc.

## **Free text search or article number**

At least 2 characters or digits have to be typed in.

- When searching on an article number, it has to be specified from the beginning, and the search is automatically made with \* as wildcard at the end.
- The free text search is automatically made with \* as wildcard in both ends of the search string.

## **Search by filtering**

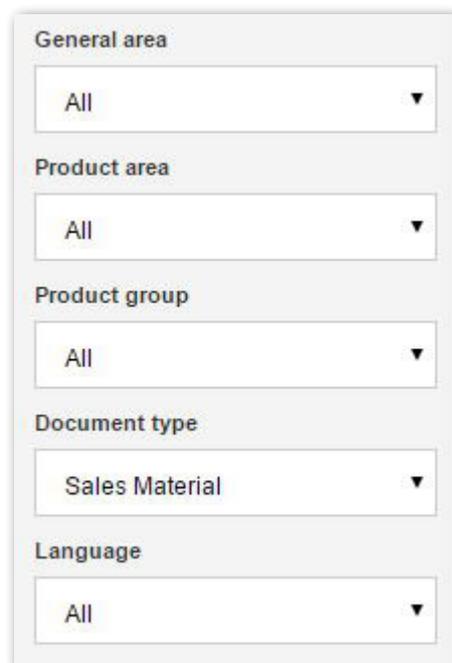

When using the Product area search, you make the search more and more detailed by filtering.

You always start at the top, with General Area, then Product area Product group etc.

Language can be selected separately and is not affected by filtering the other categories.

If you don't want to use all categories, you just stop and leave the categories with the choice "- All -". When "- All -" is selected, it is not possible to filter out anything in the categories below that one.

Each time a selection is made, a filtering process is performed so that only valid choices are presented in the next field below.

## **Combination search**

You can combine the free text search and the filtering search. For example, you can write a product name such as "Cobra" and select the language you want in the filtering box below.

## **Sort the search result**

The search result can be sorted on publishing date, last changed, article number or description.

# SEARCH RESULT

The result of a search is shown in the area to the right of the page in the following way:

# DOWNLOAD PDF

It's possible to download a low resolution PDF of a document by searching for it and click on the thumbnail of the document in the Search result.

Select to save it or open it in your PDF viewer.

# SIGN UP FOR AN ACCOUNT

The Atlas Copco Print Shop is open to Atlas Copco employees only.  
If you are a distributor, please contact your AtlasCopco representative for more information.

The screenshot shows the Atlas Copco Print Shop website. At the top left is the Atlas Copco logo and the text "The Print Shop | atlascopco.com". In the top right corner, there is a "Log in" button with a right-pointing arrow, which is highlighted with a red box. Below the navigation bar is a search section with a "Freetext search" input field and a "Search" button. To the left of the main content area are several filter menus: "General area" (All), "Product area" (All), "Product group" (All), "Document type" (Sales Material), and "Language" (All). The main content area features a "Welcome" message, the title "Atlas Copco Print Shop", and the subtitle "Sales Material and Technical Documentation". Below this, there is a paragraph of text: "Welcome to Atlas Copco Print Shop. Here you can download PDF files of all our product brochures and technical documentation. Use the search fields to find the files you are looking for. Internal users can obtain access to additional functions by login." To the right of the text is a collage of various technical brochures and documents. At the bottom of the page, there is a footer with the text "Legal Notice, Privacy Policy, Copyright © 2000-2015 Atlas Copco AB".

Click on "Log in"-button.

Then click on "Register new user" on next screen.

The screenshot shows the login page of the Atlas Copco Print Shop. The page has a blue header with the word "Login" in white. Below the header, there are two input fields: "Username" with the placeholder text "Enter username..." and "Password" with the placeholder text "Enter password...". At the bottom left, there is a "Cancel" button with a left-pointing arrow. At the bottom right, there is a green "Login" button with a right-pointing arrow. Below the "Login" button, there is a link that says "I forgot my password". At the very bottom, there is a link that says "Register a new user", which is highlighted with a red box.

# Registration Form Step 1 of 2 - Choose your organisation.

Select your company

Company code

Enter your company code and then click on "Check code"

**Info:**
